Senior Technical Advisor (Indeterminate)

Yellowknife, Northwest Territories

The Mackenzie Valley Land and Water Board is part of the one of Canada's most progressive resource co-management regimes. Our job is to regulate and manage the use of land and water in the Northwest Territories using fair, inclusive, and transparent processes.

Job description

As the Senior Technical Advisor, you will:

- evaluate scientific and technical submissions made to the Board
- liaise with government, industry, First Nations, and stakeholders
- prepare and present recommendations to the Board on water licences and land use permits

Compensation

- salary ranges from \$117,347 to \$148,209
- northern living allowance of up to \$26,000 per year
- generous benefits and vacation allowances

Qualifications

We are looking for a candidate with these qualifications:

- a science degree, preferably at a Master's level, relevant to environmental management or engineering
- several years experience in environmental management, preferably in the northern regulatory system
- knowledge of northern Indigenous culture and way of life

In your cover letter and resume, please demonstrate the following competencies:

- strong critical thinking and technical writing ability
- strong written and oral communication skills
- strong project and time management skills

How to apply

*Please submit your cover letter and resume by **Sunday, April 7, 2024** to:*
