Purpose:

The purpose of the Pre-Hearing Conference is to allow parties to better understand the hearing process and to provide clarity on the issues that will be discussed at the Public Hearing. Board staff note that the Pre-Hearing Conference is a required step in this Type A Amendment, but that the Public Hearing itself may be cancelled on September 21, 2020 if parties have indicated that they feel a Public Hearing is not necessary. Traditionally, this meeting is attended in-person or by conference call by both Interveners and their legal counsel. The Pre-Hearing Conference will be conducted by teleconference only. Parties should be prepared to discuss the following:

- Any preliminary legal issues or matters of clarification that parties feel the Board should address before the Hearing;
- A list of topics that you will address in your evidence;
- A list of representatives who will be presenting; and
- An indication of how much time you will need to present your intervention.

Please note that no new evidence is to be submitted or introduced at the Public Hearing.
